

AGENDA

Regular City Council Meeting,

Successor Agency to the
Former Redevelopment Agency and the
Wasco Public Finance Authority

Tuesday, November 15, 2022 – 6:00 pm.

Council Chambers

746 8th Street, Wasco, CA 93280

www.cityofwasco.org

Pursuant to the Governor's Executive Order N-08-21, the City Council Members and staff may choose to participate in person or by video conference. The City Council meetings are presented in a hybrid format, both in-person at City Hall and virtually via Zoom Webinar. The public may participate via the following options:

1. Attending in person: All attendees are encouraged to wear a face-covering at all times while in the Council Chambers or City Hall. Please maximize spacing by utilizing all seating in the Chambers.
2. Members of the public can view the City Council meetings live on the city's website: <https://www.cityofwasco.org/306/city-council-meeting-videos>,
3. Public comments regarding matters on the agenda may be made in person or via email. If you wish to comment on a specific agenda item, submit your comment via email to cityclerk@cityofwasco.org no later than 4:00 p.m. November 15, 2022. Please clearly indicate which agenda item number your comment pertains to. If you wish to make a general public comment unrelated to a specific agenda item, submit your comment via email to cityclerk@cityofwasco.org no later than 4:00 p.m. November 15, 2022.

Every effort will be made to read your comment into the record; however, they are limited to two (2) minutes. If a comment is received after the specific time mentioned above but before the meeting is adjourned, the comment will still be included as a part of the record of the meeting but will not be read into the record.

STAFF REPORT City of Wasco

TO: Honorable Mayor and Council Members

FROM: M. Scott Hurlbert, City Manager
Maria O. Martinez, City Clerk

DATE: November 15, 2022

SUBJECT: Adopt a Resolution to Authorize the City to Implement Teleconference Public Meetings Pursuant to Assembly Bill ("AB") 361, Allowing the City to Continue a Hybrid Virtual Meeting Environment.

Recommendation:

Staff recommends authorizing the City to implement teleconference public meetings pursuant to Assembly Bill AB 361, allowing the City to continue a hybrid virtual meeting environment.

Background:

Over the past year, meetings of the City's legislative bodies have been held with virtual teleconference components. On September 16, 2021, Governor Newsom signed Assembly Bill ("AB") 361, which allows cities to continue to meet remotely during proclaimed states of emergency under modified Ralph M. Brown Act requirements that are similar but not identical to the rules and procedures established by the previous Executive Orders temporarily suspending provisions of the Brown Act. On September 20, 2021, Governor Newsom signed Executive Order N-15-21 to suspend AB 361 until October 1, 2021.

AB 361, until January 1, 2024, would authorize a local agency to use teleconferencing without complying with the teleconferencing requirements imposed by the Brown Act when a local legislative body holds a meeting during a declared state of emergency by the Governor and when a state or local health officials have imposed or recommended measures to promote social distancing.

Discussion:

On June 11, 2021, Governor Newsom issued Executive Order N-08-21, which among other things, rescinded his prior Executive Order N-29-20 and set a date of October 1, 2021, for public agencies to transition back to public meetings held in full compliance with the Brown Act.

As the virus continues to periodically surge in California, the goal of AB 361 is "to improve and enhance public access to local agency meetings during the COVID-19 pandemic

and future applicable emergencies by allowing broader access through teleconferencing options," consistent with Executive Order N-29-20. AB 361 contains an urgency clause which became effective upon signing with a sunset of January 1, 2024. AB 361 also provides that if a local agency conducts teleconference meetings in reliance on AB 361, the local agency must make the following findings by majority vote every 30 days to continue using the bill's exemption to the Brown Act teleconferencing rules:

- The legislative body has reconsidered the circumstances of the emergency, and
- Either of the following circumstances exists: The state of emergency continues to directly impact the ability of members to meet safely in person, or State or local officials continue to impose or recommend social distancing measures.

Staff recommends adopting the resolution to authorize the implementation of teleconferencing public meetings.

Fiscal Impact:

None

RESOLUTION NO. 2022 -

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WASCO TO IMPLEMENT TELECONFERENCING REQUIREMENTS DURING A PROCLAIMED STATE OF EMERGENCY FOR ALL CITY COUNCIL, COMMITTEE, COMMISSION, BOARD, AND OTHER CITY MEETINGS PURSUANT TO ASSEMBLY BILL 361

WHEREAS, the Ralph M. Brown Act ("Act") requires that all meetings of a legislative body of a local agency be open and public and that any person may attend and participate in such meetings; and

WHEREAS, the Brown Act allows for legislative bodies to hold meetings by teleconference but imposes specific requirements for doing so; and

WHEREAS, on March 4, 2020, the Governor issued a proclamation declaring a state of emergency due to the COVID-19 pandemic pursuant to Government Code 8625, and this proclaimed state of emergency currently remains in effect; and

WHEREAS, on March 17, 2020, in order to address the need for public meetings during the present public health emergency, Governor Newsom issued Executive Order No. N-29-20, suspending the Act's teleconferencing requirements; and

WHEREAS, on June 11, 2021, Governor Newsom issued Executive Order No. N-08-21, continuing the suspension of the Brown Act's teleconferencing requirements through September 30, 2021; and

WHEREAS, these Executive Orders allowed legislative bodies to meet virtually as long as certain notice and accessibility requirements were met; and

WHEREAS, on September 16, 2021, the Governor signed Assembly Bill No. 361 (A.B. 361 – Government Code section 54953) that went into effect on October 1, 2021, which amended the Brown Act so that a local agency may use teleconferencing without complying with the regular teleconferencing requirements of the Act, where the legislative body holds a meeting during a proclaimed state of emergency and makes certain findings; and

WHEREAS, Government Code section 54953 requires that the legislative body make additional findings every 30 days in order to continue such teleconferencing; and

WHEREAS, state and local officials continue to impose and recommend measures to promote social distancing, and because of the ongoing threat of COVID-19, meeting in person would present imminent risks to the health and safety of attendees; and

WHEREAS, teleconferencing ensures the health and safety of the public, the legislative bodies of the city, and City staff while allowing regularly-scheduled meetings to occur without interruption due to COVID-19.

NOW THEREFORE BE IT RESOLVED, by the City Council of the City of Wasco as follows:

SECTION 1: That the foregoing recitals are true and correct and incorporate them by this reference.

SECTION 2: That the City Council finds, by a majority vote, the following:

- a. The City Council has reconsidered the circumstances of the state of emergency; and
- b. Any of the following circumstances exist:
 1. The state of emergency continues to directly impact the ability of the members to meet safely in person.
 2. State or local officials continue to impose or recommend measures to promote social distancing.
 3. As a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees

SECTION 3: That this Resolution to implement teleconferencing pursuant to Government Code section 54953(e) applies to the City Council and all committees, commissions, boards, and other City meetings ("other legislative bodies") of the City of Wasco based upon the findings listed above.

SECTION 4: That the City Manager or the City Manager's designee is authorized to take all steps and perform all actions necessary to execute and implement this Resolution in compliance with Government Code section 54953.

SECTION 5: That this Resolution shall take effect immediately upon its adoption and remain in effect for 30 days or until such time as the City Council adopts a subsequent resolution in accordance with Government Code section 54953(e)(3) to extend the time during which the City Council and all other legislative bodies of the City of Wasco may continue to teleconference without compliance with Government Code section 54953(b)(3).

STAFF REPORT City of Wasco

TO: Honorable Mayor and Council Members

FROM: M. Scott Hurlbert, City Manager
Luis Villa, Public Works Director

DATE: November 15, 2022

SUBJECT: Adopt a Resolution Authorizing the City Manager or his designee to approve a purchase order in an amount not to exceed \$110,314.05 for one Utility Crane Truck for the Wastewater Department from National Fleet Group.

Recommendation:

Staff recommends City Council adopt a resolution authorizing the City Manager or his designee to approve a purchase order in an amount not to exceed \$110,314.05 to purchase one Utility Crane Truck for the Wastewater Department from National Auto Fleet Group.

Discussion:

The Wastewater Department currently lacks equipment to support the lifting and lowering of equipment in the field such as pumps and collection system equipment. This utility crane truck will minimize the need for a crane rental when servicing sewer lift station pumps and allow us to respond to emergencies in a timely manner. The city received a quote from National Auto Fleet group for a 2023 Ford F-350 with a Douglass crane body.

In accordance with the City's municipal code, the City may utilize joint powers agreements, to procure equipment. The City is a member of Sourcewell. Sourcewell is a national joint power agreement that allows the City to make equipment purchases without further competitive bidding. The City will be obtaining the truck using Sourcewell Contract No. 091521-NAF.

Fiscal Impact:

The City budgeted \$95,000 in the 2022-23 budget (Project No. 20231) for this Utility crane truck for the Wastewater Department. The cost of this vehicle came in at \$110,314.05 which is over the budgeted amount for this purchase. A budget

transfer from CIP project #23017 in the amount of \$15,314.05 is required with this action.

STAFF REPORT City of Wasco

TO: Honorable Mayor and Council Members

FROM: M. Scott Hurlbert, City Manager
Luis Villa, Public Works Director

DATE: November 15, 2022

SUBJECT: Adopt a Resolution Authorizing the City Manager or his designee to approve a purchase order in an amount not to exceed \$110,314.05 for one Utility Crane Truck for the Water Department from National Fleet Group.

Recommendation:

Staff recommends City Council adopt a resolution authorizing the City Manager to approve a purchase order in an amount not to exceed \$110,314.05 to purchase one Utility Crane Truck for the Water Department from National Auto Fleet Group.

Discussion:

The Water Department currently has an aging utility crane truck #51 that needs replacement. The purchase of this crane will support the lifting and lowering of equipment in the field such as fire hydrants, gate valves, and larger diameter pipes. This utility crane truck will minimize the need for a crane rental when performing water distribution system maintenance. The city received a quote from National Auto Fleet group for a 2023 Ford F-350 with a Douglass crane body. Due to the limited availability of Ford F-350s Ford is not able to guarantee delivery of this vehicle.

In accordance with the City's municipal code, the City may utilize joint powers agreements, to procure equipment. The City is a member of Sourcewell. Sourcewell is a national joint power agreement that allows the City to make equipment purchases without further competitive bidding. The City will be obtaining the truck using Sourcewell Contract No. 091521-NAF.

Fiscal Impact:

The City budgeted \$162,000 in the 2022-23 budget (Project No. 22025) for this Utility crane truck and a smaller utility vehicle for the Water Department. The cost of this vehicle came in at \$110,314.05 which is well under the remaining budget \$132,201.63 for this project.

RESOLUTION NO. 2022 -

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WASCO AUTHORIZING THE CITY MANAGER OR HIS DESIGNEE TO APPROVE A PURCHASE ORDER TO PURCHASE ONE UTILITY CRANE TRUCK FOR THE WATER DEPARTMENT FROM NATIONAL AUTO FLEET GROUP IN AN AMOUNT NOT TO EXCEED \$110,314.05

WHEREAS, the City wishes to purchase a Ford F-350 Utility Crane truck from National Auto Fleet Group; and,

WHEREAS, said Agreement has been made in the form and manner prescribed by the City of Wasco Municipal Code and the California Public Contract Code; and,

WHEREAS, the Agreement shall be governed by and construed in accordance with the laws of the State of California; and,

WHEREAS, the City's cost for the Utility truck in the amount not to exceed \$110,314.05 is to be from the Water Enterprise Fund; and,

NOW THEREFORE BE IT RESOLVED, by the City Council of the City of Wasco as follows:

SECTION 1: Authorizes the City Manager or his designee to sign and execute a purchase order with National Auto Fleet Group to purchase one Ford F-350 Utility crane truck for the Water Department in an amount not to exceed \$110,314.05.

STAFF REPORT City of Wasco

TO: Honorable Mayor and Council Members

FROM: M. Scott Hurlbert, City Manager
Luis Villa, Public Works Director

DATE: November 15, 2022

SUBJECT: Adopt a Resolution to approve a Budget Amendment to Re-Allocate Funds to Pay Retention for the 2021 Ag Well Project#30400-52040-20220 located at SW corner of Scofield & Dirt Poso 1 mile south of Highway 46 .

Recommendation:

Staff recommends the City Council to adopt a resolution and approve a budget amendment to re-allocate funds to pay retention for the 2021 Ag Well Project.

Background:

This project was to provide Repair and Installation Services for the City of Wasco's Ag Well located at the SW corner of Scofield & Dirt Poso 1 mile south of Highway 46. On November 16, 2021 Council Accepted the Ag Well Drilling Project and Authorization for the City Clerk to file the Notice of Completion. The intention and standard procedure after acceptance of the Project would be to pay out retention (5% of Project total) 30 days after Council acceptance.

At the time of Council acceptance the Project was complete, but the city did not receive any invoice from Bakersfield Well and Pump Co. to pay this retention payment. The Public works department believes this invoice may have been sent to previous management and was somehow missed.

Discussion:

Bakersfield Well and Pump Co. has completed the work outlined in the plans and specifications of the Project, the notice of completion has been filed allowing us to pay out retention.

Fiscal Impact:

The current amount of retention owed to Bakersfield Well and Pump CO. is \$17,274.75. Re-appropriation in the amount of \$17,274.75. into Project Code #30400-52040-20220 is required with this transaction.

STAFF REPORT City of Wasco

TO: Honorable Mayor and Council Members

FROM: M. Scott Hurlbert, City Manager
Luis Villa, Public Works Director

DATE: November 15, 2022

SUBJECT: Adopt a Resolution Authorizing the City Manager or his designee to approve a purchase order with Ferguson Waterworks in the amount not to exceed \$48,000.00 to purchase one hundred and fifty residential water meters.

Recommendation:

Staff recommends City Council Adopt a Resolution Authorizing the City Manager or his designee to approve a purchase order with Ferguson Waterworks in the amount not to exceed \$48,000.00 to purchase one hundred and fifty residential water meters.

Discussion:

These residential water meters will be replacing existing water meters that need replacement. As water meters age, because they are mechanical, they under register and don't over register. This greatly affects water loss as we are not accurately billing for the water being supplied to residents. This purchase would allow us to replace meters that need replacement as well as keep an inventory for future replacements. With materials and supply shortages it is prudent we keep inventory of these meters. This purchase order request is for one-hundred $\frac{3}{4}$ " meters and fifty 1" meters.

The city attempted to collect three quotes from vendors. Ferguson Waterworks came in at the lowest price per meter.

- 1) Ferguson Waterworks
 - i) $\frac{3}{4}$ " T10 Neptune Meter: \$257.00
 - ii) 1" T10 Neptune Meter: \$350.00
- 2) Core and Main
 - i) $\frac{3}{4}$ " Hersey Meter: \$267.00
 - ii) 1" Hersey Meter: \$372.00
- 3) Badger
 - i) Not able to provide quote

Due to Materials shortages coupled with shipping and logistics challenges a contingency was included of \$1,236.00 with this purchase order request.

Fiscal Impact:

The City budgeted \$80,000.00 in the Water department enterprise fund Account 31400-505309 for meter replacements. This purchase order request in the amount not to exceed \$48,000.00.

STAFF REPORT

CITY OF WASCO

TO: Honorable Mayor and Council Members

FROM: M. Scott Hurlbert, City Manager
Luis Villa, Public Works Director

DATE: November 15, 2022

SUBJECT: Rejection of all bids received for 16th Street Rehabilitation Project.

Recommendation:

Staff recommends the City Council rejects all bids received for 16th Street Rehabilitation Project.

Discussion:

A Request for Proposal was published on June 26, 2022. The notice to bidders requesting the rehabilitation of 16th Street between Hwy. 43 and Griffith Ave. The project would involve grinding and repaving of 3" of existing asphalt, removal and replacement of curb & gutter, cross gutters, ADA ramps, and striping.

On September 8, 2022 the City of Wasco received 3 bids from the following contractors:

FIRM	BID TOTAL
Griffith Company	\$ 467,735.00
Bowman Asphalt, Inc.	\$ 368,140.00
Cen-Cal Construction	\$ 457,557.00

After City staff reviewed the bids, documents were sent to the County for their review. Once the County reviewed, they determined a section of the documents in the bids that they provided to the City were not up-to-date and rejected all bids. The County did not allow for current bidders to update the documents and recommended City re-bid the project.

Staff recommends the City Council reject all received bids as determined by County. Once rejected, Staff will proceed with re-bidding the project.

Fiscal Impact:

None at this time.

STAFF REPORT City of Wasco

TO: Honorable Mayor and Council Members

FROM: M. Scott Hurlbert, City Manager
Keri Cobb, Community Development Director
Tom Schroeter, City Attorney

DATE: November 15, 2022

SUBJECT: Introduce and Waive the First Reading of an Ordinance of the City Council of the City of Wasco Repealing and Re-enacting Chapter 15.04 of the City of Wasco Municipal Code Relating to Building Code Regulations, and Adopting by Reference the California Code of Regulations Title 24, Parts 1-6 and 8-12, 2022 Edition of the California Building Standards Code.

Recommendation:

Staff recommends that the City Council introduce and waive the first reading of an Ordinance of the City Council of the City of Wasco Repealing and Re-enacting Chapter 15.04 of the City of Wasco Municipal Code Relating to Building Code Regulations, and Adopting by Reference the California Code of Regulations Title 24, Parts 1-6 and 8-12, 2022 Edition of the California Building Standards Code.

Discussion:

Pursuant to Health and Safety Code Section 18938 (c), the California Building Standards Commission updates State building code standards every three years, and cities and counties must re-adopt their local building codes to be consistent with the State standards. The 2022 edition of the California Code of Regulations, Title 24, Parts 1-12 is now available for local adoption, to become effective January 1, 2023.

Chapter 15.04 of the Wasco Municipal Code contains the City's building code standards and indicates which of the State building codes are adopted by the City. As indicated in the ordinance amendment, the adoption of this ordinance will adopt Parts 1-6 and 8-12 of the California Code of Regulations, Title 24 by reference. The updated codes will become effective January 1, 2023 and will apply for the next three years until Title 24 of the California Code of Regulations is again updated.

Fiscal Impact:

Monies for the purchase of new code books were budgeted in the 2022/2023 City of Wasco Annual Budget and electronic and hard copy versions of the 2022 code have been purchased.

Part 7	(Currently Vacant)
Part 8	California Historical Code
Part 9	California Fire Code
Part 10	California Existing Building Code
Part 11	California Green Building Standards Code
Part 12	California Referenced Standards Code

The City Council of the City of Wasco does ordain as follows:

Section 1: Repeal

Chapter 15.04 of the Wasco Municipal Code is hereby repealed in its entirety.

Section 2: Purpose and Authority

The purpose of this Ordinance is to adopt by reference the 2022 edition of the California Building Standards Code, Title 24 of the California Code of regulations, subject to the definitions, clarifications, and amendments set forth in this Ordinance. The purpose of this Ordinance is also to provide minimum requirements and standards for the protection of the public safety, health, property and welfare of the City of Wasco. This Ordinance is adopted under the authority of Government Code Subsection 50022.2 and Health and Safety Code Section 18941.5.

Section 3: Reenacted

Chapter 15.04 of the Wasco Municipal Code, Wasco Building Code, is hereby reenacted and adopted to read as follows:

15.04.010 Title.

This chapter shall be known as the Wasco Building Code, and may be cited as such, and will be referred to herein as "this code."

15.04.015 Application.

This code shall be the exclusive source of regulations for all new construction and any alterations, repairs, relocations, or reconstruction of any building or any portion thereof including any electrical, mechanical, gas, plumbing, or fire protection equipment installed on any property or used on or within any building.

15.04.020 Conflicts with other laws, rules, etc.

In the event of any conflict between this code and any law, rule, or regulation of the state of California, that requirement which establishes the higher standard of safety shall govern. Failure to comply with such standard of safety shall be a violation of this code.

15.04.025 Fees.

A. Notwithstanding any provisions in the codes adopted by reference in this chapter, all fees related to said codes are to be set by resolution by the city council.

B. Fees for duplicating documents and other special services shall be set and established by the administrative authority.

15.04.030 Adoption of Uniform Codes.

The following publications are adopted by reference and incorporated in this code, except as expressly amended or superseded by the provisions of this chapter:

Table R301.5 amended – Minimum Uniformly Distributed Live Loads

Table R301.5 is amended as follows:

The required live load for "Sleeping areas" is amended to 40 pounds per square foot (psf) uniform load. The remainder of Table R301.5 remains unchanged.

Section R313.2 amended – One- and two-family dwellings automatic fire sprinkler systems.

Item No. 1 of Section R313.2 is amended to read as follows:

1. An automatic residential fire sprinkler system shall not be required for additions or alterations to existing one- and two-family dwellings that are not already provided with an automatic residential sprinkler system unless the alteration involves reconstruction of 90% or more of the structure above the slab/foundation. Any existing structure that is being converted to a one- or two- family dwelling for the first time is considered a new dwelling.

Section 406.3.2.1 amended – Dwelling unit separation.

Section 406.3.2.1 is amended to read as follows:

406.3.2.1 Dwelling unit separation. The private garage shall be separated from the dwelling unit and its attic area by means of a minimum 5/8-inch Type X (15.9 mm) gypsum board applied to the garage side. Garages beneath habitable rooms shall be separated from all habitable rooms

above by not less than a 5/8-inch (15.9 mm) Type X gypsum board or equivalent and the same applied to structures supporting the separation from the habitable rooms above the garage.

Section R401.1 amended – Application.

Section R401.1 shall be amended by replacing the last sentence of the first paragraph and all of the listed exceptions with the following:

Wood foundations shall not be permitted.

EXCEPTIONS:

1. Non-occupied, single story, detached wood or metal storage sheds and similar uses other than a garage or carport, may be supported on skids provided the skids are anchored to the surface, the building width does not exceed 14 feet, the building length does not exceed 40 feet, the plate height does not exceed 12 feet above grade at any point, and the maximum roof projection does not exceed 24 inches.
2. At the discretion of the building official, pressure treated wood posts or poles embedded in earth or in concrete footings may be used for minor accessory buildings, typically limited to 200 square feet, and nonbuilding structures.

15.04.045 California Electric Code amendments.

This amendment is due to geological findings.

Section 250-50 amended – Grounding electrode system.

Subsection 250-50 is amended by adding the following sentence:

On new construction, where reinforced concrete footings are placed, a grounding electrode complying with Article 250.52 (A)(3) shall be installed.

15.04.050 Findings.

The city council of the city of Wasco finds and declares that the additions, modifications, and changes made to the codes are necessary for the protection of the public health, safety, and welfare due to climatic, geological, or topographical conditions. These amendments are authorized under Health and Safety Code Sections 18941.5 and 17958 and are identified as follows:

A. Express Finding Number 1: Climatic.

1. The city of Wasco is in the seventy miles per hour wind zone; this results in frequent movement and shifting of buildings, structures, and associated systems serving those facilities.
2. The city of Wasco receives an average rainfall of seven or more inches per year. Heavy storms are very infrequent and precipitation events from a given storm are typically minimal.

3. The city of Wasco is susceptible to extended periods of Tule fog. These conditions cause loss of visibility. This condition often results in multiple vehicle accidents which will commit emergency resources for extended periods of time, as well as create driving difficulties for emergency equipment resulting in delayed response times to fires and other emergencies.

B. Express Finding Number 2: Geological.

1. The city is located in seismic zone 4. Built-in fire protection and other safety measures, such as limitations of building height, stories, areas, and the anchoring of the structure to the foundation would provide a higher level of safety for building occupants, emergency responders, and property. This is even more critical in high occupancy (assembly) buildings where the potential loss of life is very high. Minor earthquakes occur causing movement and shifting of buildings, structures, and associated systems serving those facilities.

C. Express Finding Number 3: Topographical.

1. The city of Wasco drops in elevation +/- 50 feet from the east to the northwest of the natural flow of the land.

15.04.055 Filing of findings.

The city clerk is directed to file a copy of the ordinance codified in this chapter with the California Building Standards Commission of the state of California.

15.04.060 Interpretation.

The provisions of this code are enacted for the public health, safety, and welfare and are to be liberally construed to obtain the beneficial purposes thereof as specified in Chapter 1 of the Building Code.

15.04.065 Liability.

The provisions of this code shall not be construed as imposing upon the City of Wasco any liability or responsibility for damage to persons or property resulting from defective work, nor shall the city of Wasco, or any official, employee or agent thereof, be held as assuming any such liability or responsibility by reason of the review or inspection authorized by the provisions of this code or of any permits or certificates issued under this code.

Section 4: Effective date and publication

The ordinance codified in this chapter shall take effect on January 1, 2023, after its adoption and pursuant to resolution, published in summary format prior to adoption and within fifteen days after its adoption in a newspaper of general circulation published and circulated in the city of Wasco.

The City Clerk is hereby ordered to publish this Ordinance in summary form in accordance with the law, in a newspaper of general circulation in the City. This ordinance shall become effective 30 days from the date of its adoption.

STAFF REPORT City of Wasco

TO: Honorable Mayor and Council Members

FROM: M. Scott Hurlbert, City Manager
Keri Cobb, Community Development Director
Tom Schroeter, City Attorney
Martin Ledezma, Chief Building Official

DATE: November 15, 2022

SUBJECT: Introduce and waive the first reading of an Ordinance of the City Council of the City of Wasco Repealing and Re-enacting Chapter 15.08 of the City of Wasco Municipal Code Relating to Fire Prevention Regulations, and Adopting by Reference the California Code of Regulations Title 24, Part 9, 2022 Edition of the California Building Standards Code.

Recommendation:

Staff recommends that the City Council introduce and waive the first reading of an Ordinance of the City Council of the City of Wasco Repealing and Re-enacting Chapter 15.08 of the City of Wasco Municipal Code Relating to Fire Prevention Regulations, and Adopting by Reference the California Code of Regulations Title 24, Parts 9, 2022 Edition of the California Building Standards Code.

Discussion:

Pursuant to Health and Safety Code Section 18938 (c), the California Building Standards Commission updates State building code standards every three years, and cities and counties must re-adopt their local building codes to be consistent with the State standards. The 2022 edition of the California Code of Regulations, Title 24, Parts 1-12 is now available for local adoption, to become effective January 1, 2023.

Chapter 15.08 of the Wasco Municipal Code contains the City's fire prevention standards and indicates which of the State building fire codes are adopted by the City. As indicated in the ordinance amendment, the adoption of this ordinance will adopt Part 9 of the California Code of Regulations, Title 24 by reference and as modified and amended by Chapter 17.32 Fire Code of the Ordinance Code of the County of Kern. The updated codes will become effective January 1, 2023 and will apply for the next three years until Title 24 of the California Code of Regulations is again updated.

Fiscal Impact:

Monies for the purchase of new code books were budgeted in the 2022/2023 City of Wasco Annual Budget and electronic and hard copy versions of the 2022 code have been purchased.

ORDINANCE NO. 2022 -

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF WASCO REPEALING AND RE-ENACTING CHAPTER 15.08 OF THE CITY OF WASCO MUNICIPAL CODE RELATING TO FIRE PREVENTION REGULATIONS, AND ADOPTING BY REFERENCE THE CALIFORNIA CODE OF REGULATIONS TITLE 24, PART 9, 2022 EDITION OF THE CALIFORNIA BUILDING STANDARDS CODE

The City Council of the City of Wasco does ordain as follows:

Section 1: Repeal

Chapter 15.08 of the Wasco Municipal Code is hereby repealed in its entirety.

Section 2: Purpose and Authority

The purpose of this Ordinance is to adopt by reference the 2022 edition of the California Building Standards Code, Title 24, Part 9 of the California Code of regulations, subject to the definitions, clarifications, and amendments set forth in this Ordinance. The purpose of this Ordinance is also to provide minimum requirements and standards for the protection of the public safety, health, property and welfare of the City of Wasco. Chapter 15.08 amendments also keep the City consistent with the Kern County Fire Department from which the City contracts services. This Ordinance is adopted under the authority of Government Code Subsection 50022.2 and Health and Safety Code Section 18941.5.

Section 3: Reenacted

Chapter 15.08 of the Wasco Municipal Code, Wasco Fire Prevention Code, is hereby reenacted and adopted to read as follows:

15.08.010 California Fire Code adopted.

That portion of the 2022 California Building Standards Code that imposes substantially the same requirements as are contained in the International Fire Code, 2021 Edition, published by the International Code Council and the California Building Standards Commission with errata, together with those portions of the International Fire Code, 2021 Edition, including Appendices B, C, D and H, published by the International Code Council not included in the California Fire Code, as modified and amended by Chapter 17.32 Fire Code, Title 17 of the Ordinance Code of the County of Kern and this chapter, are collectively declared to be the Fire Code of the City of Wasco.

15.08.020 Development standards.

Any reference to the Kern County development standards in Chapter 17.32 of the Kern County ordinance code shall mean the city of Wasco development standards.

15.08.030 Reference to City of Wasco.

Any reference to the unincorporated area of the county of Kern in Chapter 17.32 of the Kern County ordinance code shall mean the incorporated area of the city of Wasco.

15.08.040 Board of appeals.

Section 17.32.024 of the Kern County ordinance code is amended to read as follows:

109.1 Board of appeals.

Any authority of the Fire Chief involving discretion, or interpretation of this Code, shall be exercised in a reasonable manner. Any decision of the Chief relating to the interpretation of this Code, or to the standards referred to hereinabove, shall be subject to appeal to the Board of Building Appeals. Any decision of the Board of Building Appeals shall be subject to appeal to the Wasco City Council.

15.08.050 Violation penalties.

- A. Except as provided herein, any person who shall violate a provision of this code or who shall fail to comply with any of the requirements thereof or fail to comply with any order made thereunder by competent authority, or who shall erect, install, alter, repair or do work which deviates from any specifications or plans submitted to and approved by the Fire Marshal, or of a permit or certificate issued under provisions of this code shall for each and every such violation or failure to comply be guilty of a misdemeanor and shall, upon conviction, be subject to a fine of not more than \$1,000 or imprisonment in the county jail of the County of Kern for not more than six months, or both such fine and imprisonment.
- B. Any person who violates Sections 3308 or 3309 of the Fire Code shall be assessed an administrative penalty. An administrative penalty under this paragraph shall be a fine not exceeding one thousand five hundred dollars (\$1,500.00) for the first violation; a fine not exceeding two thousand dollars (\$2,000.00) for a second violation within five years from the date of the first violation; and a fine not exceeding two thousand five hundred dollars (\$2,500.00) for each additional violation within five years from the date of the first violation.
- C. The administrative penalty for any violation of any other section of this code shall be as provided in Kern County Ordinance Code Section 8.54.120.
- D. All enforcement of administrative penalties shall be conducted pursuant to Chapter 8.54 of the Kern County Ordinance Code.
- E. A conviction for any offense under the provisions of this code shall not excuse the violation or authorize its continuance and the person or persons convicted of such offense shall be required to correct or remedy any condition or installation which fails to comply with the requirements of this code with reasonable diligence. Each day that a condition prohibited

by the provisions of this code is caused or permitted to be maintained or continued shall constitute a separate and distinct offense.

15.08.070 Effective date and publication.

The ordinance codified in this chapter shall take effect on January 1, 2023, after its adoption and pursuant to resolution, published in summary format prior to adoption and within fifteen days after its adoption in a newspaper of general circulation published and circulated in the city of Wasco.

The City Clerk is hereby ordered to publish this Ordinance in summary form in accordance with the law, in a newspaper of general circulation in the City. This ordinance shall become effective 30 days from the date of its adoption.

Section 4: Effective date and publication

The City Clerk is hereby ordered to publish this ordinance in summary form in accordance with the law, in a newspaper of general circulation in the City. This ordinance shall become effective 30 days from the date of its adoption.
